

*I am curious why/what time/who...with/ where...?*

I went to the cinema.
I called my best friend.
I watched a movie on TV.
I went for a walk in the park.
I surfed the internet.
I had a video chat on messenger.
I went shopping.
I met my best friend at a café.
I visited my aunt in a hospital.
I tidied my room.
I cooked dinner for five people.
I read an article in a magazine.
