

Student Worksheet 1

Based on the information below, prepare a short presentation about this person's future. Use 'will'/'be going to' and at least six of the following words and phrases:

tonight on the weekend next winter next summer I hope I doubt I think one day I reckon

This is Matthew. He's a very ambitious cook in one of the local restaurants. Recently he started meeting Mia, his new neighbor. Mathew loves his job. He wants to quit smoking.

Student Worksheet 2

Based on the information below, prepare a short presentation about this person's future. Use 'will'/'be going to' and at least six of the following words and phrases:

tonight on the weekend next winter next summer I hope I doubt I think one day I reckon

This is Mia. She's a young shop assistant in a clothes shop. Three months ago she moved into a new apartment and shortly after fell in love with her neighbor, Matthew. Mia loves reading books. She's thinking of quitting her job.
